The I. G., on a previous occasion, (in Sep. 15) brought the case of Abdul Qadir, and another Qamruddin Khan, (an LL. B. student) to the notice of Govt, but no orders were passed on the point. If a schp. be now granted to Abdul Qadir, the other LL B student also may claim one, but this is only a probability.

SIR,

I have the honour to submit herewith a copy of petition dated 6th December 1915 from Mr. M. Abdul Qadir, student, M.A. Class, M.A.O. College, Aligarh, praying for a scholarship to continhe his studies, and to state that a scholarship of Rs.25 per mensem was sanctioned to the applicant in Government Order No.4861-2/Edn.17-13-7 dated 21st October 1913, for a period of 2 years from 1st March 1913 to study for the B.A. Course in the said College. He passed the B.A. Degree Examination held recently and is now studying for the M.A. Examination in the same College. As he is not eligible for an Aligarh scholarship under the existing rules sanctioned in Government Order No.9816-7/Edn.473-08-4 dated 29th April 1910, I recommend that as a special case a scholarship of Rs.25 per mensem may be awarded to the applicant for 2 years from the date of his joining the M.A. class, the charge during the current year being met from the savings under Honours Scholarships.

In this connection I beg to draw your kind attention to my letter No.5618/252 dated 21st September 1915 making a similar recommendation on behalf of the above applicant and another student

Letter dated 6th December 1915 from Mr. M. Abdul Qadir, M.A. student, M.A.O. College, Aligarh, to the Inspector General of Education in Mysore.

I most respectfully beg to submit the following application to your kind consideration.

I was a stipendiary student for the past 2 years in the B.A. Class of the M.A.O. College at Aligarh, which I passed in the first year. While I was in Bangalore about 4 months ago I requested you to continue my scholarship so that I may study for M.A. for Economics. As you very kindly promised to continue the same I came over here and have joined the M.A. Class.

But to my surprise, I have not got the scholarship as yet. As my studies here fully depend on the help that I may get from Government, I request you to continue the same at an early date.

If no help is forthcoming I will have to discontinue as I have only a brother of mine from whom I cannot expect much help.

Therefore I request you to be so good as to continue my scholarship to enable me to prosecute my studies.

For which act of kindness I shall ever feel grateful to you.

"C o p y"

Yrs,

Inspector General.
